

Too many cans and bottles piling up?!

We “Can” Help!!!

The St. Pius X Knights of Columbus are holding a can/bottle drive each month to raise funds for ultrasound machines and other needs at pro-life women’s health centers. Bring your Iowa recyclables to the St. Pius parking lot on **Saturdays from 9-11AM**. All money raised from donations will be used to further the Pro-Life cause! Help save lives AND clean out those old pop and beer cans and bottles from your garage.
